Gen and Rev. Departments.

SIR,

I have the honor to submit a communication received from Mr Sitaramaiya, Assistant Conservator on Special duty through the Deputy Commissioner, Kadur, with enclosure (in original to be kindly returned) and to endorse the Deputy Commissioner's opinion that Mr Sitaramaiya should be granted a deputation or Special allowance of Rs 4 per mensem under sections 66 and 68 of the Mysore Service Regulations from the date on which he took up the work in the Kadur District viz the 30th August 1896 and travelling allowance at Malnad rates with retrospective effect from the same date.

2. The duties which Mr Sitaramaiya

is performing certainly involve a decided increase of work and responsibility and considerable extra expense although incidental to a ~~Forest~~ Forest Officers work are novel in Mysore. Under the Government of India and Madras Forest Codes an officer charged with similar duties may be granted a special allowance of Rs 100/- per mensem

3. At the time Mr Sitaramaiya was deputed on special duty he had incurred the displeasure of government and I therefore in communication with the Deputy Commissioner deferred making any recommendations for special allowances till we saw how he worked. The Deputy Commissioner testifies to his having worked creditably and although I have not yet checked the figures of his enumeration of the Muthodi Forest which are voluminous, I have done so with regard to the Lakvalli Teak Plantations, the calculations and prescriptions with regard to which formed an appendix to my Inspection Memorandum.

vide Appendix A attached to Inspection Memorandum, pulp. calculations of the same Memorandum

4. Mr Ricketts also on special duty has been granted travelling allowance at mulnad rates by Proceedings No ×22-3 F.F. 31-96 dated 3rd July last and I have re-commended a deputation allowance of Rs 50/- per mensem in his case also viz 1/5th of salary the maximum provided under the sections of Mysore Service Regulations already quoted.

Mr Sitaramiya's duties are analogous though of a different nature.

I have the honor to be,
Sir,
Your most obedient Servant

SIR,

With reference to Government Proceedings No: 8010–11 M.F. 92–95 dated 28th February last, I have the honor to forward copy of Mr. Y. Sitharamiah's letter No 147 dated the 26th ultimo requesting sanction to draw the enhanced rate of Travelling allowances sanctioned for him while employed on special duty in the Kadur District whilst employed on similar work in the Shimoga District also. The malnad allowances sanctioned in Government Proceedings No: 8369–402 PL A. 39–93 dated the 20th January 1898. came into force only from 1st January last, where as

the Special rate of allowances re-
- commended on behalf of Mr. Sitha
Ramiah whilst employed on special
duty at Sacrebyle refers to periods
anterior to 1st January 1898. As Mr.
Sitharamiah was drawing the Special
rate of Travelling allowance during
his employment on Special duty in
the Kadur District, the same rate
of allowance may be kindly sanctioned
for the period Mr. Sitharamiah
was employed in the Shimoga District.

Sir,

With reference to Conservator's No: 4126/210 of 5th Instant, forwarding Copy of Government Proceedings No: 8010-11/H.F. 92-95 of 28th ultimo, granting me a deputation allowance of ~~Rs~~ 40 per mensem and travelling allowances at Mahrad rates as per Government Proceedings No: 8369-404/PwsA. 39-93 of 20th January 1898, during my temporary employment on Special Duty in the Shimoga District, I have the honor to state that while I am highly grateful for the kind grant thus made, I am forced to represent that the grant of travelling allowances at Mahrad rates as kindly recommended by the Conservator of Forests is denied to me by Government Proceedings No: 8369-404/PTA. 39-93 of 20th January last, as it takes effect only from the 1st of that month and does not apply to September, October and November 1897, during which period I was employed on Special Duty in the Shimoga District. I beg to add that during said months alone, I had to incur a heavy expenditure owing to my sudden shifting from here to Shimoga District and back, and unless enhanced rates of

of travelling allowances as already recommended by the Conservator of Forests are granted to me I shall be put to a great loss. Under the circumstances I humbly beg that the Conservator of Forests will be pleased to submit my hard case for reconsideration of the Government and get me the enhanced rates of travelling allowances already recommended by him.
